INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
University of Louisiana at Monroe and the Management of KEDM
Monroe, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of KEDM (a Public Telecommunications Entity operated by The University of Louisiana at Monroe), which comprise the statement of financial position as of June 30, 2020 and June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control

relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KEDM (a Public Telecommunications Entity operated by The University of Louisiana at Monroe) as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer on page 20 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

KEDM
A PUBLIC TELECOMMUNICATIONS ENTITY
OPERATED BY THE UNIVERSITY OF LOUISIANA AT MONROE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020 AND 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. Organization

KEDM (the Station) is a noncommercial radio station operated by The University of Louisiana at Monroe. The Station adheres to the standards of accounting and reporting as described in *Principles of Accounting and Financial Reporting for Public Telecommunications Entities* published by the Corporation for Public Broadcasting.

B. Method of Accounting

The financial statements of the Station have been prepared on the accrual method. The significant accounting policies followed by the Station are described below to enhance the usefulness of the financial statements to the reader of accounting and in conformity with Financial Accounting Standards Board (FASB) ASC Section 958.

C. Basis of Presentation

The financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the organization to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the organization and the board of directors.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

C. Basis of Presentation (Continued)

Net Assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

D. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

E. Revenue Recognition

Membership contributions and support from the University are recorded as revenue in the Statements of Activities when received.

Grants and other contributions of cash and other assets are reported as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

E. Revenue Recognition (Continued)

Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as contributions without donor restrictions.

The accounting and reporting of grants is determined by the underlying substance of the transaction. A grant may be accounted for as contribution, an exchange transaction, or a combination of the two. If it is determined to be a contribution, a grant may be considered a conditional or an unconditional grant.

F. Donated Facilities and Administrative Support

Donated facilities and administrative support from the University consist of office and studio space and an allocation of costs and certain other expenses incurred by the University on behalf of the Station.

G. Functional Expenses

Expenses that can be identified with a specific program and support service are allocated directly to that function according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases.

H. New Accounting Pronouncement

As of July 1, 2018, the Station adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606), as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. Results for reporting the year ending June

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

H. New Accounting Pronouncement (Continued)

30, 2020 are presented under FASB ASC Topic 606. The ASU has been applied retrospectively to all periods presented, with no effect on net assets or previously issued financial statements.

During the year, the Station also adopted the provisions of FASB ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (Topic 958). This accounting standard is meant to help not-for-profit entities evaluate whether transactions should be accounted for as contributions or as exchange transactions and, if the transaction is identified as a contribution, whether it is conditional or unconditional. ASU 2018-08 clarifies how an organization determines whether a resource provider is receiving commensurate value in return for a grant. If the resource provider does receive commensurate value from the grant recipient, the transaction is an exchange transaction and would follow the guidance under ASU 2014-09 (FASB ASC Topic 606). If no commensurate value is received by the grant maker, the transfer is a contribution. ASU 2018-08 stresses that the value received by the general public as a result of the grant is not considered to be commensurate value received by the provider of the grant. Results for reporting the year ending June 30, 2020 are presented under FASB ASU 2018-08. There was no material impact to the financial statements as a result of adoption. Accordingly, no adjustment to opening net assets was recorded.

On July 1, 2019, the Station adopted the provisions of FASB ASU 2016-18, *Statement of Cash Flows* (Topic 230). This ASU requires that a statement of cash flows explain the change during the period in the total cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

H. New Accounting Pronouncement (Continued)

Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the consolidated statement of cash flows. The amendments in the ASU do not provide a definition of restricted cash or restricted cash equivalents. The Association has applied the provisions of ASU 2016-18 retrospectively to all periods presented with no effect on net assets or previously issued financial statements.

I. Income Taxes

The Station is not subject to income taxes as it is a non-commercial public telecommunications entity operated by the University of Louisiana at Monroe.

NOTE 2 - PROPERTY AND EQUIPMENT:

Fixed assets are stated at cost when purchased or constructed. If acquired by gift, they are recorded at an objective, verifiable basis which is, in the judgment of Station management, a fair value for the Station's purposes (no independent third party appraisal is obtained).

Expenditures for repairs and maintenance are charged to operating expense as incurred. Fixed assets are depreciated using the straight-line method over the estimated useful lives (5-30 years) of the individual assets. Depreciation expense amounted to \$1,255 and \$40,744 during the years ended June 30, 2020 and 2019, respectively.

Net property value at June 30, 2020 was as follows:

NOTE 3 - NET ASSETS WITH DONOR RESTRICTIONS: (Continued)

3. No CSG funds may be expended on the production, acquisition or distribution of programs which do not qualify under CPB's Broadcast Schedule of eligibility criterion. Such programs include any that further the principles of particular political or religious philosophies, or that are designed primarily for in-school or professional in-service audiences.
4. The station's licensee may not impound or otherwise withhold or inappropriately restrict the use of CSG funds by the station. CSG funds may not be used to supplant funds or other support already being provided to the station by the licensee or to offset budgeting cutbacks by the licensee. For purposes of these General Provisions and Eligibility Criteria, "supplant" is defined as "to reduce the amount of funds or other support already being provided by the licensee in proportion to, or because of, funding through the CSG."

8. CSG funds shall not be used by the grantee for personnel services, programming (both production and acquisition), or technical facilities in excess of standard amounts usually paid, charged or otherwise applies by the grantee for the same services and facilities under similar circumstances.

10. Approximately 26 percent of the CSG must be spent on national program production and acquisition. This portion of the CSG must be used exclusively for the acquisition, production, promotion, and/or distribution of national programming of high quality, diversity, creativity, excellence, and innovation, with strict adherence to objectivity and balance in all programs or series of programs of a controversial nature.
